CARING CONFIDENT THINKERS TEAM PLAYERS CREATIVE COMMUNICATORS CURIOUS GOAL SETTERS

After another disruptive week, due to Mother Nature, we will all be wondering what next? Whilst the snow is beautiful, the disruption and chaos it causes is very tiring and trying for us all!

I hope that you have managed to stay warm and safe.

School looked a picture in the snow, as can be seen by the photos below, and some students in Room 8 wrote the following:

Drizzling little snowflakes fly in the air and awesome fluffy snowflakes seem to appear.

By Meadow

Light as a feather, snow fall's, looking like the powdery clouds and as it fall's it dances around in the air.

By Samantha

The blinding white snow came down hard over the black night, and when morning came, it glistened powerfully.

SCHOOL WEBSITE

We have been updating the school website and have posted comments daily sharing with you the school situation during the past few days with the snow. This website is a work in progress and during Term 3 more things will be added. Check out the website and see what you think, we would love to hear your comments.

SKI TRIP

The senior team, along with their classes, have made the decision not to go on a ski trip this year. They will, instead, be going on a school camp in Term 4. More information will be sent out from the senior team.

HAGLEY SPORT

There will be no Hagley Sport tomorrow, Friday 19th August. The last round of Hagley Sport will now be on the 2nd September.

SPORTS TOURNAMENT - HAGLEY PARK

On Wednesday, 10 August, North New Brighton School ventured to Hagley Park for the annual sports tournament. All our NNB teams competed and did well, playing hard but fair.

The Netball teams had to play six 10-minute games. Short and sweet! The senior netball team had exciting competition. It was like 1 contact, 2 contact, 3 contact, 4. This means there was a lot of contact going on. And for the Year 5/6 Netball team we got the 1st goal of the 1st game, Yay!!!

The Soccer teams enjoyed their games too. Wow, they boot that ball hard. And sometimes I do wonder if they get a sore foot? Game after game, they showed their commitment to NNB.

Now, for the super duper, one and only Rugby team. Watching them play, it was like 'tackle, tackle, tackle, TRY! There were some very long and hard games, boy, did they get dirty!

So huge congratulations to all of NNB's sports teams. If you are reading this and you are in one of these fantastic teams, give yourself a pat on the back!! It really was an enjoyable and exciting day of sport!
